PUBLIC ACCOUNTS
OF THE
PROVINCE OF ALBERTA
FOR THE
YEAR ENDING DECEMBER 31
1925

PRINTED BY ORDER OF THE LEGISLATIVE ASSEMBLY

EDMONTON
PRINTED BY W. D. McLEAN, ACTING KING'S PRINTER

To His Honour

WILLIAM EGBERT,

Lieutenant Governor of Alberta.

MAY IT PLEASE YOUR HONOUR—

The undersigned has the honour to submit herewith the Public Accounts of the Province of Alberta for the year ended December 31, 1925.

Respectfully submitted,

R. G. REID,

Provincial Treasurer.

Treasury Department,

Edmonton, February 26, 1926.

THE HONOURABLE R. G. REID,

Provincial Treasurer of Alberta.

SIR:—

I have the honour to submit herewith the Public Accounts of the Province of Alberta for the fiscal year ended December 31, 1925.

Effective January 1, 1924, the accounts of the Province were placed on a true yearly expenditure basis. Under this plan, expenditure includes liabilities incurred but not paid during the fiscal year. Such accounts are charged to, and form part of, the expenditure of the year to which they belong.

This is the second year of the change in accounting methods, and the following figures show the surplus on income account for the year under the new and the old plan:

Particulars.	Revenue and Expenditure Basis.	Cash Basis.
Revenue	\$11,531,025.99	\$11,531,025.99
Expenditure	11,343,006.45	11,249,433.55
Surplus	<u>\$ 188,019.54</u>	<u>\$ 281,592.44</u>

It will be noticed that the true surplus for the year is \$188,019.54 as against \$281,592.44 on the old plan of accounting. The difference of \$93,572.90 is due to the increase in accounts payable at December 31, 1925, when compared with those outstanding at the end of the year 1924 as follows:

Accounts Payable December 31, 1925.....	\$1,124,369.55
Accounts Payable December 31, 1924.....	1,030,796.65
Increase.....	<u>\$ 93,572.90</u>

During the year two extraordinary items of revenue were received from the Government of Canada, namely, \$274,292.11, subvention under *The Canada Highways Act*; and \$112,000.00, surplus moneys of the Canada Wheat Board. In accordance with the estimates submitted to the Legislature at its last Session, the good roads subvention has been included in revenue, income account. The Canada Wheat Board surplus, pending final disposal or appropriation, has been placed in capital account, and is not included in the statement of revenue on income account.

Pursuant to clause (c), subsection 1 of section 25, *The Treasury Department Act*, a balance sheet showing the financial position of the Province at December 31, 1925, has been prepared and is herewith submitted.

I have the honour to be, Sir,

Your obedient servant,

JAMES C. THOMPSON, C.A.,

Provincial Auditor.

Office of the Provincial Auditor,
Edmonton, February 26, 1926.

*Deficit.

Edmonton, February 15, 1926.

I have audited the books and records of the Alberta Government Telephones for the year ended December 31, 1925, and the above balance sheet and accompanying statement of earnings are correctly prepared therefrom.

During the year only actual additions have been charged to plant; replacements and renewals have been charged to depreciation and renewal reserve. With the exception of the sinking fund contribution, \$114,949.28, no charge has been made against earnings for depreciation.

Subject to adequate provision for depreciation, I certify that, in my opinion, the above Balance Sheet is properly drawn up so as to show the financial position of the Alberta Government Telephones on December 31, 1925, and the accompanying relative statement of earnings fairly states the results for the fiscal year ended at that date.

JAMES C. THOMPSON, C.A.,
Provincial Auditor.
